

Albion Rooming House provides accommodation for single men.

This housing was established to assist those in the local community who are in need of long term, secure housing.

The house is situated in a quiet street in Albion. It features several kitchens and laundry facilities. Limited on site parking is also available.

There are 25 private rooms, fully furnished with a single bed, side table, full sized refrigerator. Each bedroom has an adjoining private en-suite.

The property is ideally located near public transport and the Sunshine shopping Centre.

Applications for the Rooming House are held with Housing Victoria which manages the Victorian Housing Register.

Applications can be completed online by going to the link below. Additionally, should you not wish to complete the form online, you can download an application from the link below.
