

Berwick Rooming House provides accommodation for women and men. This housing has been established to assist those in the local community who are in need of long term housing.

Applicants need to meet eligibility criteria and must be able to live independently.

The house is situated in a quiet street of Berwick surrounded by an established garden. It features a large living area with a commercial kitchen and three small kitchens located close to tenants rooms. A centralized laundry is located off the living area.

There are thirty eight rooms, fully furnished with a single bed, bedside draws, and full sized refrigerator. Each bedroom has an adjoining private ensuite.

A bus stop 300 metres away connects the residents to the local shopping centre and train station. Located at the bottom of the street is a small shopping hub with chemist.

Rent is calculated—25% of income +CRA + service charge to cover utilities
